Friends (metapuzzle) Solution

The metapuzzle is based on the fact that (almost) all Friends episodes have a title that starts with “The one with the...” Upon submitting a correct answer to each puzzle, the solvers receive a number and an image or set of images. The number is a season number; the image is a pictorial representation of one of the episode titles in that season. For instance, upon submitting a correct answer to “Community,” one gets the number 3 and a picture of Princess Leia. The 1st episode of Season 3 of Friends is called "The One with the Princess Leia Fantasy." Therefore, we index the number 1 (the episode number) into the answer of the puzzle to get the letter B. Doing this for every puzzle spells out the answer to the meta, BUTLER AMPHITHEATER.
