It’s 1812, and Friedrich of Gernrode is asking you for the time. First, tell him what time it is:

Then, like the Genius you are, give Friedrich this message. Not that you’d need a lot of braininess, since there’s no need to reverse things. Every word is in its proper position:

saw [first use]
what [second use]
After [first use]
After [seventh use]
See [first use]
After [first use]
After [seventh use]
Well [first use]

saw [first use]
what [second use]
love [first use]
my [ninth use]
what [second use]
