

Hint Set #2

ABC Water Fiesta

"We nixed that" was said in a Kimmel interview.

Depth Sensors

Try interpreting the gradients as measures of depth, reading white as close and black as far. You'll be able to tell that the first six objects are block letters, and the last object looks like some sort of animal...

Playlist Puzzle

In the intro to this song, there are thirteen low and loud synthesizer notes. The second note moves down from the first, and (more obvious with earphones) also to the right.

Magic Squares

Make sure that each square is a 3x3 grid, with each space either empty (0) or containing a dot (1). Then look at the new letters you've made once all squares are added.
